Q & A	<p>Which pharmacies accept my card? Most major retail pharmacy chains such as Walgreens, CVS, Wal-Mart and Rite Aid accept the NACo prescription discount card. For a complete list of participating retail pharmacies go to https://www.caremark.com/wps/myportal/LOCAL_PHARMACY or call toll-free 1-800-516-1873.</p> <p>How much will I save? While savings on each prescription may vary, this program saves an average of 20 percent off of the pharmacy's regular retail prices for prescription drugs. In addition, card users save even more through mail service by choosing from our list of select medications. Check drug costs on the web here https://www.caremark.com/wps/myportal/CHECK_DRUG_COST</p> <p>What if I have other questions? To speak with a Customer Care representative, call toll-free 1-877-321-2652.</p> <p>I just received my card. Can I use it right away? Yes, use your card to start saving immediately. Present your prescription discount card at a participating retail pharmacy when you fill or refill your prescriptions.</p> <p>What if I lose my card? To speak with a Customer Care representative, call toll-free 1-877-321-2652. Go to the website to print a replacement card for you or a family member.</p> <p>Can I use my card to get discounts on over-the-counter products and non-prescription medications? Not usually. However, discounts are available for many diabetic supplies.</p> <p>How is this prescription discount program different from traditional prescription insurance? This plan is not insurance; it is a prescription discount program. The card provides immediate discounts at the pharmacy. Upon presenting your card to the pharmacist, you will pay the lower of a discounted price or the pharmacy's regular retail price.</p> <p>Can I use my prescription discount card with my current insurance benefit to reduce my costs? Your card cannot be used in conjunction with other insurance. However, you are able to use your card to purchase prescriptions that are not covered by these plans.</p>
