HealthCare Access Maryland

is a nonprofit agency that connects residents to public health care coverage and helps them use services effectively. We work with individuals, hospitals, policymakers, and social services organizations to strengthen Maryland’s health care delivery system and make Maryland healthier.

We are pleased to share a searchable, printable, interactive update to our popular Low-Cost/No-Cost Guide to health-related services in Baltimore City.

Have additions, corrections, or suggestions? Please send an email to communications@hcamaryland.org.
